KMRP 3250/4000	82.6	101.6	38.1	
KMRP 3500/5000	88.9	127.0	50.8	

Questi sono solo suggerimenti e i tappi vanno bene per molteplici tubi e filetti.

I cappucci in EPDM MOCAP sono disegnati per facilitare l'inserimento ed ottenere una mascheratura efficace del filetto.
